Italyco SLX Thema 1 is the new model of the prestigious Fausti “round body” series with long sideplates. It shares with the Italyco SLX all the major features of this new Fausti project but comes with a beautiful new hand-made engraving that combines an ornate floral theme with vivid hunting images featuring a battle of pheasants and a flight of grouse. The work is signed by the master engraver. Italyco SLX Thema 1 is a bespoke gun capable of generating distinction in terms of intrinsic quality, a great opportunity of investment for all those passionate and collectors of fine guns which can not escape the natural charm of this Fausti gun, a true ambassador of the Italian excellence in the world.
