**Morakniv Eldris is a pocket size fixed blade knife that will amaze you with its versatility.**

The knife has a precision blade and ground spine compatible with a fire starter. It's compact design and all-round convenience mean you'll never leave the house without it, making your Morakniv a part of you.

You can also take your Morakniv Eldris to the next level with the flexible neck knife kit. It enables an even greater use of the knife. Hang it round your neck with the multi-purpose paracord or make the carry even more safe with the secondary lock. The minimalist fire starter is perfect for starting a warming fire or lighting a camping stove.

# Morakniv® Eldris

A pocket size knife is easy to bring with you, no matter the size of your adventure. For a day long hike it's perfect for creating splinters to the self-evident fire or for a smaller carving project. For the longer outdoor adventure or for the hunt, it will surprise with its strength and versatility. It will allow you to work close to the game you are skinning or have it easily accessible in your breast or leg pocket in times of instant need.

Eldris is available in five different colors. The knife can be ordered separately or as a part of the Neck Knife Kit with a paracord and a fire starter.
