

Mission Statement

Sherwood Forest is at the forefront of design for the hunting, equestrian, outdoor and country fashion market.

We provide our customers with garments and accessories that are excellent quality and value for money.

Sherwood Forest offers a reliable and outstanding level of customer service, and we believe that developing our employees and investing in them will achieve quality in all aspects of the business, and create a rewarding place for our employees to work in.

Our mission statement is:

1. To offer quality products that are competitively priced
2. To develop a brand that is known to both trade and consumer
3. To carry a stock service with fast despatch times
4. To introduce new collections each season and develop our existing brands
