

Vector Optics Grizzly Riflescopes, Incredible, Inspiring, Inexpensive

4x Magnification, 56mm Objective Lens Diameter, wide field of view, Bright Image Fully Multi Coated, 1/4 MOA Finger Adjustment, 100mm 4" Long Eye Relief, 11 Levels Illumination, Simple Germany #4 Etched Glass Reticle, good for .223 .308 rifles hunting in 30-400 Yards <http://www.scvector.com/Products/search/grizzly.html>

The advertisement features a black and white image of a Vector Optics Grizzly 3-12x56E rifle scope. The scope is shown in profile, pointing towards the left. In the background, there is a faint illustration of a mountain landscape with evergreen trees and a body of water. A circular inset in the center of the background shows a crosshair reticle with a deer's head in the center. The text 'SCOM-09' is in the top left, and 'Grizzly 3-12x56E' is in large bold letters below it. At the bottom, there are four columns of text listing the scope's features.
