### Leison Ausstellung in Abu Dhabi

Leison attended the IDEX exhibition in Abu Dhabi in 2017, and the products are very popular among the competitors, specially the newly designed tactical and outdoor gear, including the tactical backpacks, tactical vests series, with excellent working quality and professional design, which has attracts the officers from different countries to visit our booth, including the Generals and Major Generals from different countries. Leison has developed muliti-function fabrics for the tactical gear, including ballistic, waterproof, flame retardant, and with anti infrared.
