AS Consulting LLC for Sales, Marketing, and Promotions

This consulting company owned by Austin Sheridan will offer import and export expertise in marketing, exhibitions, and communications that will maintain relationships with and for you, the international customer. Austin will continue to focus on international relationships. He will advise on projects and exhibitions with US manufacturers, which will make him an informed, valuable resource for distributors and other international clients on a variety of opportunities.

In 2018, AS Consulting has contracts with:

Black Hills Ammunition	www.black-hills.com
GrovTec US, Inc.	www.grovttec.com
Hodgdon Powder Company	www.hodgdon.com
HS Precision Inc.	www.hsprecision.com
MEC/ Mayville Engineering Company	www.mecshootingsports.com
North American Arms	www.northamericanarms.com
Talley Manufacturing	www.talleyrings.com
Chip McCormick Magazines	www.cmcmags.com
Scent Crusher	www.scentcrusher.com

To provide export compliance and licensing services AS Consulting has contracted with Orchid Advisors for the coming year. The professionals at Orchid Advisors provide complete export licensing solutions for ITAR and EAR. They will prepare export licenses, review prepared licenses, or train staff how to prepare licenses. This service will streamline the process, and provide fast and efficient export license services available for hardware, technical data, and defense services as needed. Both State Department (ITAR) and Department of Commerce (EAR) licensing services available:

- ITAR – DSP-5 (Amendments DSP-6)
- ITAR – DSP-61 (Amendments DSP-62)
- ITAR – DSP-73 (Amendments DSP-74)
- EAR – BIS-748P
