

MAM FABRICA DE CUTELARIAS FILMAM Lda.

We are a cutlery company from Portugal, working since 1870 with international scope and one of the oldest knives and cutlery manufacturers in the world. MAM FILMAM Lda guarantees a top quality product and it gives 10 years guarantee. All materials are high quality certificated and specially tested. We use the best German stainless steel that specially made for us with molybdenum, vanadium, siliceous and carbon. Only with all these ingredients together and with a special temper we have extremely strong and flexible knives blades with 57 degree ROC. MAM 100% Made in Portugal since 1870
