DER LED-TASCHENLAMPEN-SHOP

HOME OF FLASHLIGHTS

At our LED Flashlight Shop you will find high-quality, innovative products and expert advice on all aspects of LED torches from the brands

AceBeam - **Imalent** - **Weltool** - **Lupine** - **Nordride**

What started in April 1993 with a small MagLite Solitaire torch grooved over the following years. Since 2004, we have been offering our customers LED products and services for outdoor, sports and work. - You will find the right light with us -

In 2014, we were the first German importer to offer **Imalent** and over the years we have developed into the largest Distributor and **Service Centre** for Imalent products in Germany. Since 2015, we have been the authorised importer and wholesaler of **AceBeam**, which named us 2020 as **AceBeam Most Excellent Agent** in Germany. And since 2019, we have been the official, registered importer and wholesaler, as well as the official service centre for the Weltool brand in Germany.

We offer exceptional services, which is what makes us and our products special.
